The invigilators are not part of any ATO. They are employed by Transportstyrelsen. You as a student has the following two options and responsibility:

- Book an approved ATPL invigilator that has his address closest to SSFA from the list according to the link below. He/She will come to SSFA according to the agreement made between you as a student and the Invigilator. Availability of school personnel able to grant access to facilities and necessary equipment shall also be checked by student and confirmed with CTKI who will then book such.

APPENDIX D: EXPULSION POLICY

The School is committed to taking all reasonable steps to ensure the students have the opportunity to successfully complete their programs. The School has a commitment to ensure that within this general framework all students are treated fairly and equitably. Students who do not support the academic and ethical goals of the School for themselves and their fellow students may be subject to penalties, up to and including expulsion.

In general, the School will attempt to resolve a situation without expulsion. Verbal warning, written warnings and suspension may precede this final and most serious of actions. Where the School deems the integrity, safety or well-being of the School, students, staff, clients, visitors and other guests is in danger then expulsion may be applied at the School's discretion at any point in the process.

In conjunction with this policy, the school will have to ensure that students receive and are aware of its code of conduct, its academic policy, and its attendance policy. Policies are found in the Student Guide handed out to students during the application process and always available for review in printed form at school, or digitally via Flightlogger or school webpage.

The following outlines the conditions under which a student may be expelled with cause:

1. Academic Dishonesty - students may be subject to expulsion at the discretion of the School for academic dishonesty. 3. Code of Conduct - all students are required to adhere to the School's published code of conduct in the Student Guide. Where the violations do not have the potential to result in physical harm to persons or property the School may expel a student who has received suspension for failure to comply and has since violated any of the terms of the School's code of conduct. Students who are found under the influence of drugs and/or alcohol or carrying weapons will be subject to immediate expulsion.

4. Significant Omissions or Errors in Admissions Documentation - the School has a responsibility to ensure students have been admitted in accordance with the registration requirements for the program. Students who knowingly or in error misrepresent their applications are subject to immediate expulsion.

5. Academic Failure – students who fail to achieve the required academic standing in their programs may be expelled from the program.

Students participating in harassing or discriminatory activities that are racial, sexual, or pertaining to sexual orientation in nature may be subject to immediate suspension depending on the severity of the activity and pending investigation. Expulsion is mandatory for any student who is deemed by the investigation to have engaged in harassing or discriminatory activities.

Any student, who is deemed by the investigation to have engaged in severe harassing or discriminatory activities, may be expelled at the discretion of the school, depending on the severity of the activity.

8. Misuse of School Property – School property is for the provision of School services. Students who damage, misuse, steal or otherwise use the property in a way that is prohibited may be expelled and required to make restitution.

9. Endangerment of Staff or Students – The School is committed to the right of all School staff, students, clients and visitors to be safe. Students who by action or neglect in any way endanger the safety of themselves or others may be expelled.

Prior to expulsion, depending on the severity and nature of the situation, the School may take intermediate steps at its discretion including:

- a. verbal warning
